

The Worcester Greenstar CDi Compact combi

Our Greenstar CDi Compact boilers have the smallest dimensions in our combi boiler range. They can be installed in a wide range of locations including inside a standard kitchen cupboard.

Why install a Greenstar CDi Compact combi?

- Fits neatly inside a standard kitchen cupboard
- Instantaneous hot water, always available
- Wide choice of controls
- Hot water can be adjusted to fine tune your comfort
- User-friendly displays for ease of use
- High efficiency, greater reliability and durability is achieved by the CDi Compact's innovative new heat exchanger

Which? Best Buy

Boiler dimensions

The Greenstar CDi Compact range will fit inside your wall-mounted kitchen cupboards.

Know your system

Combination, or 'combi' boilers, heat water directly from the mains when you turn on a tap, so you won't need a hot water storage cylinder or a cold water storage tank.
